■ Peak Hours

8:00 AM – 10:00 AM
6:00 PM – 8:00 PM

Frequency: Every 10–15 minutes

Crowd Level: High

Best For: Office commuters

■ Off-Peak Hours

10:00 AM – 6:00 PM
8:00 PM – 11:00 PM

Frequency: Every 15–20 minutes

Crowd Level: Low to Moderate

Best For: Leisure travel

■ Service Types

■ *All-Station Services*

These trains stop at all 23 stations along the route. Ideal for short-distance travel within city areas. Operating throughout the day with regular frequency.

Operating Hours: 5:30 AM – 11:00 PM

Frequency: 10–20 minutes depending on time

■ *Express RRTS Services*

Limited-stop express services on the RRTS corridor, significantly reducing travel time for long-distance commuters. These trains skip select metro-only stations.

Operating Hours: 6:00 AM – 10:00 PM

Frequency: Every 30 minutes during peak hours

Time Saved: Up to 30% on long routes

■ Special Services & Notices

■ *Festival Special Services*

During major festivals (Diwali, Holi, Eid, etc.), extended services operate until 12:00 AM with increased frequency to handle extra passenger load.

■ *Late Night Services*

Currently, late-night services (after 11 PM) are not available. Last trains depart at 11:00 PM from terminal stations. Plan your journey accordingly.

■ *Early Morning Services*

First trains start at 5:30 AM for early morning commuters. Gradually, services will be extended to start from 5:00 AM based on demand.

■ *Maintenance Hours*

Track maintenance is conducted between 12:00 AM and 5:00 AM daily. Emergency maintenance announcements are made 24 hours in advance.

■ Travel Planning Tips

■ *Arrive 10 Minutes Early*

Reach the station 10 minutes before departure, especially during peak hours.

■ *Check Real-Time Updates*

Use official metro app for real-time train tracking and delay alerts.

■ *Pre-Book Smart Cards*

Save time with rechargeable smart cards instead of buying tokens.

■ *Plan Last Mile*

Arrange auto/cab for last-mile connectivity, especially for the last train.
